Dear Supervisor Bragg and Town of Royalton Board Members,

This Annual report will cover the activities of the Middleport Police Department in the Town of Royalton for the 2020 calendar year. All the activity listed in this report were found in the Town of Royalton and outside of the Village of Middleport. In 2020, the Middleport Officers responded to a total of 427 complaints or incidents with in the Town of Royalton. The officers issued a total of 519 Vehicle and Traffic tickets. The list of complaints and tickets are included in this report for your review.

As we all know and have lived through it, 2020 was a very unusual year on many fronts. The year was very difficult year for Law Enforcement in general. When covid 19 started in March 2020, most of the activities came to a abrupt halt as you can see in your list of Vehicle and Traffic arrest in April and May of this year. We finished the year with 160 less tickets issued than the year before but only 20 less complaints than the year before.

The Village of Middleport and the Town of Royalton have had a contract for police services dating back to May 2001. The police contract has been a win – win for the Village of Middleport and the Town of Royalton. The police contract is a great example of how communities can work together to share a service. The present three year contract started on June 1, 2018 and will expire this May 31, 2021. I will be putting a proposal together to be reviewed by the Village Board and the Town Board for a new three year contact. As always, I hope that the Village of Middleport and the Town of Royalton can continue to work together to provide the extra line of security and enforcement that our community needs. If you have any questions regarding this report or the activities of the Middleport Police Department, please contact my office at 735-3373 or by email at middleportpd@villageofmiddleport.org

Sincerely,

John J. Swick Police Chief
